# ATTRACTIONS

## ADVENTURE AWAITS

### GENERAL ADMISSION

Admission to Strataca includes access to several attractions including the Shaft, Stratadome, Mining Gallery, Harry's Habitat, and actual Hollywood movie costumes and props.

### THE DARK RIDE

Experience a tour on a tram through an area of the mine that includes lit areas explaining air flow, mine hazards, nuclear waste storage – and much more information shared by your personal guide.

### SALT MINE EXPRESS

Journey into a raw portion of the salt mine where virtually everything is exactly as it was left over 50 years ago. The Salt Mine Express is a train ride through a part of the mine that was active during the 1940s and 50s.

Not handicap accessible.

### THE SALT SAFARI

This rough and rugged trek into the raw mine will be led by two past members of the local mine rescue team. Content will not be scripted but guided in large part by the questions and interests of the participants. Restrictions apply.

### TICKETS

All current pricing and reservation information can be found on our website.

# SCHOOLS & SCOUTS

## A TRIP WORTH ITS MERIT

### SCHOOL FIELD TRIPS

Escape from the classroom for an adventure that is hidden below the surface in what was once the Permian Sea. Join us on a unique learning experience in an ancient world that was only recently discovered. Students will get to explore the galleries and choose a souvenir piece of salt.

### SALT ACADEMY

Journey into this subterranean classroom where students focus on the unique geology of this underground environment.

In addition to exploring the galleries, students will venture into a rugged part of the mine, only available to Salt Academy participants, where they can choose a souvenir piece of salt.

### SCOUT OVERNIGHTS

Strataca offers the perfect winter campsite from November through February for scouts ages 10 to 18.

Limited availability. Reserve early.

#### Overnight Underground

Scouts are led on a hiking adventure to explore Strataca and camp overnight in the mine. Those who survive Underground Overnight will receive a special commemorative patch.

#### Geology Merit Badge Overnight Underground

Scouts will experience Strataca in a totally unique way with a few additional perks. By the time your scouts leave they will not just have the memories from an unforgettable camping experience, they will also have completed all the requirements to earn the Geology Merit Badge.

# WHAT TO KNOW

## PLANNING AHEAD

# 4+

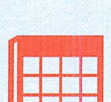

### AGE LIMIT ENFORCED

Due to mine safety regulations, Strataca cannot allow children under the age of four (4) years old to go underground.

### DAYS OF OPERATION

Tuesday–Sunday. Check online for hours.

### VISITOR CHECK IN

Visitors with reservations must check in 10–15 minutes prior to the scheduled tour time. Please allow at least two hours for your visit.

# 68°

### TEMPERATURE

It's always 68 degrees with no wind and low humidity. For those who chill easily, long sleeves would be appropriate.

### PROHIBITED ITEMS

Items not permitted underground include: guns, pocket knives, food and beverage, tobacco products, e-cigarettes, lighters, matches, and camcorders.
